Primary Elections, June 22d.

On motion the time for holding the Primary Elections fixed on Saturday, June 22d, 1872, between the hours of 1 and 7 o'clock P. M.

Our Primary Elections.

Next Saturday the Republican Primary Elections are to be held in the various election districts in this county. We hope every Republican in the county may be at the polls, and assist in giving expression to the full Republican voice of Forest county, so that we may know who is the choice of the people for the various county offices to be filled. The Crawford county system was adopted here as elsewhere, in order to get the will of the people direct from themselves, but some are so indifferent about nominations that they never make their appearance at the primary meetings, being satisfied to accept the verdict of the majority of those who do attend them. This indifference, if not overcome, will eventually defeat the object of the system in our county, and the nominations will be made by a few interested parties and the people left to support them or bolt at general election. We consider

this a very important election for the county, as all the county offices are to be filled this fall, and every voter should interest himself enough to see that the best men for the good of the county are put in nomination. The candidates for nomination on the Republican ticket are generally known to the voters of our county, and we have nothing to say here against or in favor of any man in the field; it not being our idea of conducting a Republican organ, to interfere with the different candidates for nomination. We only ask that every Republican may be at the polls and vote as seems to him for the best. If our appeal will bring a full vote out on Saturday next we shall believe that we have not spoken in vain.

Fourth of July Celebration.

A meeting our citizens was held at the Court House, on Friday eve, to consider the propriety of having a celebration here on the Fourth. The meeting was organized by electing M. W. Tate, Chairman, and J. T. Dale and A. C. Porter, Secretaries. S. D. Irwin, being called on, stated the object of the meeting. Sheriff Davis and W. P. Mercillott, then delivered neat and well-timed addresses on the most proper manner of celebrating the glorious Fourth. On motion, it was determined to have an old fashioned celebration. The following committees were appointed:

Committee of arrangements—S. D. Irwin, Capt. Knox, Judge Proper, L. L. Hackett, J. B. Agnew, Mrs. Roberts, Mrs. Irwin, Mrs. McKay, Mrs. Itel, Mrs. L. Hulings. Assistant Committee—H. W. Roberts, Wm. Lawrence, and Ferd. Wenk.

Committee on Programme—W. P. Mercillott, A. C. Porter, Miss Alma Neal, M. W. Tate, Mrs. S. H. Haslet.

Committee on Finance—Treasurer, M. Einstein, J. D. W. Reck, and Mrs. H. H. May.

Committee on Music—Prof. Weber, W. R. Dunn, Geo. Bovard, Maj. Goodman, Mrs. Itel, and Mrs. Agnew.

Committee on Orations—J. G. Dale, H. H. May, and Dr. Hunter.

Committee on Invitations—Sheriff Davis, Wm. Graves, P. D. Thomas, C. D. Mabie, D. Black, P. O. Conner, A. B. Kelley, S. H. Haslet, and Jacob Shriver.

The following officers were elected: Marshall, D. W. Clark; Assistants, T. J. Van Giesen, and W. J. Roberts, Ensigs, S. J. Butterfield, Clark Lloyd, and J. E. Wenk.

On motion, Captain Knox was requested to have as many of the members of his old Company together, with all soldiers that can be induced to join him under arms on that day. On motion, the meeting then adjourned to meet at the same place, on the evening of the 20th, to hear the reports of the different committees.

—We take the following items from the Titusville Herald of Friday:

By special telegram last night we learn that a well on the flats at Rouseville, owned by Mr. Leeper, was struck by lightning about 7 o'clock and the rig burned. The loss was about one thousand dollars.

About 11 o'clock yesterday, a certain physician in this city ran over a boy about nine years of age, near the corner of Washington and Mechanic streets. The little fellow was badly bruised about the leg and instead of the Doctor stopping to render what assistance he could, he drove on and left the child to be attended to by others.

Two of Sheriff Montgomery's prisoners, of Armstrong county en route to the Western Penitentiary at Allegheny, made their escape from a train on the Allegheny Valley Railroad by jumping from the car window. One was recaptured after a lively chase, but the other, named Heeler, succeeded in making good his escape. He is said to be a bad character and is well known throughout the Oil Region.

—Mr. J. B. Morrow, who enjoys the distinction of being the editor of the Newville Star of the Valley, in the State of Pennsylvania, wrote a letter to Mr. Greeley offering to support him if he would then and there promise to appoint him postmaster at that place. Mr. Greeley prints the letter and thus exposes his would-be supporter, who was more intent on making things sure than judicious in the mode of doing it. We suspect, however, that he differs from a great many other Greeley men only in this respect, and in exposing him Mr. Greeley has, it is probable, unwittingly exposed also the motive which to a very considerable extent animates the entire movement—the spoils of office. Mr. Greeley could afford to expose Mr. Morrow, and thus make a showing of virtue; but what is the fact between him and the leaders to whose efforts and negotiations he owes his position before the country? Morrow probably had a pretty correct conception of the whole Greeley business and missed his point simply by fishing with a naked hook.—Pittsburgh Commercial.

Grant's Letter of Acceptance.

The following is President Grant's letter accepting the Philadelphia nomination:

EXECUTIVE MANSION, WASHINGTON, June 10.

Hon. Thomas Settle, President of the National Republican Convention; Paul Straback, Elisha Baxter, C. A. Sargeant and others, Vice Presidents:

GENTLEMEN:—Your letter of this date advising me of the action of the convention held at Philadelphia on the 5th and 6th of this month, and of my unanimous nomination for the Presidency by it, is received. I accept the nomination, and through you, return my heartfelt thanks to your constituents for this mark of their confidence and support. If elected in November, and protected by a kind Providence in health and strength, to perform the duties of the high trust conferred, I promise the same zeal and devotion to the good of the whole people for the future of my official life as shown in the past. Past experience may guide me in avoiding mistakes inevitable with novices in all professions and in all occupations. When relieved from the responsibilities of my present trust by the election of a successor, whether it be at the end of this term or next, I hope to leave to him as executive a country at peace within its own borders, at peace with outside nations, with a credit at home and abroad, and without embarrassing questions to threaten its future prosperity. With the expression of a desire to see the speedy healing of all bitterness of feelings between sections, parties or races of citizens, and a time when the title of citizen carries with it all the protection and privileges to the humbler that it does to the most exalted, I subscribe myself, very respectfully,

Your obedient servant

U. S. GRANT.

—We take the following chapter of accidents from the Tidouite Journal, which, we are glad to say, is improving under the new management: A severe accident occurred to Tom Stieret yesterday. He was moving a large boiler to Triumph, and in attempting to get off the load caught his foot and fell to the ground, striking on his arm and dislocating his shoulder. Dr. Bolard fixed him up.

Mr. Patch, a carpenter to work on the Fisher building, was quite seriously hurt yesterday by a piece of timber, which fell from the building, striking him on the head and arm and badly bruising one foot. He was able to get to his boarding place, and will probably soon be out again. It was a narrow escape.

Mr. A. J. Saunders was severely cut in the leg by a circular saw at the Arcade Mill on Tidouite Creek yesterday. He was at work filing the saw when the engineer started up the mill, and although he jumped back as quick as possible his leg was caught by the saw. The wound is about six inches long in the calf of the leg. It is fortunate that he escaped with his life.

—A young man by the name of Jerry Sullivan, of Fox township, this county, was instantly killed on last Saturday, while peeling bark in the bark woods near Laurel Run Mills, a few miles below our Village. As near as we can learn, the particulars are as follows: Mr. Sullivan and another young man were peeling the bark from a tree that had lodged in falling on another one, and the tree started to come down with such force that it was impossible for them to get out from under it in time. The tree struck Sullivan knocking him down and in falling he struck his breast across a tree that lay on the ground and the other tree fell across him, breaking his backbone and crushing in his breast and head. We believe he was hurt considerably about his legs and arms. The young man that was with him ran a very narrow escape; he was caught by the foot and had his boot taken off but received no serious injuries. Sullivan's remains were taken to his home immediately, and were interred on last Monday morning.—Erie Democrat.

—We are informed that Mr. Wm. Harrager of Scotch Hill, and one of the most respectable citizens of that vicinity, was drowned at Miller's Eddy, on the Clarion river, last Monday evening. It appears he was thrown off a boat, owned by himself, which he was trying to get loose from a raft on which it had been thrown in the gorge at the Eddy. The boat was swinging around when the oar in some manner knocked him overboard. He rose and tried to swim, but it was supposed he was hurt, and before assistance could reach him he sank. At last accounts his body had not been found. He leaves a wife and several children.—Clarion Democrat.

—Albert Rankin, Esq., a brother of our townsman, C. A. Rankin, was seriously injured one day last week caused by the running away of his team. It seems he was hauling rails, when his horses took fright, and dashing away he was thrown from the wagon, and received such injuries that it was feared for a time would prove fatal. We are glad to learn, however that he is recovering.—Clarion Republican.

—Mr. Pardee, who vends milk to the citizens of Petroleum Centre, attended Barnum's circus, at Titusville, and the pick-pockets connected with that institution relieved him of his spare collateral. He pronounces Barnum a humbug.—Pet. Cen. Record.

—At the Oil Exchange Hotel, Parker's Landing, on Friday of last week, a man named Fitzpatrick was abusing a couple of Italian musicians who were playing there. The clerk of the house attempted to put Fitzpatrick out, when he drew a pistol with the intention of shooting or alarming the clerk; in the scuffle the pistol was discharged and the ball penetrated the thigh of one Fitzgerald, who happened to be in the house at the time inflicting a slight wound. Fitzpatrick was taken before Esquire Fullerton, and sent to jail in default of \$1,000 bail.—Pet. Cen. Record.

A brakeman by the name of Sullivan from Erie, was killed at Youngville Tuesday night while uncoupling a train in motion. He was standing upon the bumper of the car, and as the train separated he was thrown upon the track and run over by the separated portion. He lingered in great agony until Wednesday morning, when he died.—Tidouite Commercial.

GROVER & BAKER SEWING MACHINES.

The following are selected from thousands of testimonials of similar character, as expressing the reasons for the preference of the Grover & Baker Machines over all others. "I like the Grover & Baker Machine, in the first place, because if I had any other, I should still want a Grover & Baker; and having a Grover & Baker it answers the purpose of all the rest. It does a greater variety of work and is easier to learn than any other."—Mrs. J. C. Croly (Jenny June)

"I have had several years' experience with a Grover & Baker Machine, which has given me great satisfaction. I think the Grover & Baker Machine is more easily managed, and less liable to get out of order. I prefer the Grover & Baker decidedly."—Mrs. Dr. Watts, New York.

"I have had one in my family for some two years; and from what I know of its work, and from the testimony of many of my friends who use the same, I can hardly see how anything could be more complete or give better satisfaction."—Mrs. Gen. Grant.

"I believe it to be the best, all things considered, of any that I have known. It is very simple and easily learned; the sewing from the ordinary spools is a great advantage; the stitch is entirely reliable; it does ornamental work beautifully; it is not liable to get out of order."—Mrs. A. M. Cready, No. 43 East 22d Street, N. Y.

"More than two-thirds of all the sewing done in my family for the last two years has been done by Grover & Baker's Machine, and I never had a garment slip or need mending, except those which ironsome boys will make in whole cloth. It is, in my opinion, by far the most valuable any I have tried."—Mrs. Henry Ward Beecher.

"The Grover & Baker Sewing Machine has rendered in every respect, the most perfect satisfaction. It combines so many advantages with beauty of execution and economy in price that it is a necessity in every household."—Mrs. Governor Geary, Harrisburg, Pa.

"I have had the Grover & Baker Machine for ten or twelve years. In constant use in my house. I have seen and known every kind of family sewing, both personal and household, accomplished by the Grover & Baker Machine, to the entire satisfaction of all concerned."—Rev. Stephen H. Tyng.

"I had the Grover & Baker Sewing Machine for as long as the garments do—outward and inward in fact. The stitch will not break on bias seams, when stretched, as others do; and neither does it draw the work."—Mrs. Dr. Whiting, 4 East twenty-fourth street, N. Y.

The Grover and Baker Sewing Machine Company manufacture both the Elastic and Lock Stitch Machines, and offer the public a choice of the best machines of both kinds, at their establishments in all the large cities, and through agencies in nearly all towns throughout the country. Price lists and samples of sewing in both stitches furnished on application to T. J. VAN GIESEN, Agent, Tionesta, Pa.
